

Non-Governmental Organization Assistance Program COVID-19

Application Period – 10:00 am Wednesday, July 8 through 11:59 pm Tuesday, July 21

The Tarrant County Commissioners Court allocated \$20M in Coronavirus Relief Funds (CRF) to assist non-governmental, 501(c)3 organizations in the provision of services to individuals directly impacted by the COVID-19 pandemic.

This program will consider reimbursement of expenses, incurred or anticipated, that are necessary to provide services to aid individuals affected by COVID-19. Documentation will be required to substantiate a direct relationship between the proposed expenses and COVID-19.

Eligible Applicants

- Hold a current 501(c)3 organizational designation
- Have experience administering direct assistance to clients within Tarrant County in one or more of the areas described in the “Target Areas” section
- Have the capacity to reconcile, monitor and report use of federal funds
- Capacity to track and report on number of clients served and demographic information
- Have been in business since January 1, 2018
- Will still be in business on December 30, 2020

Target Areas

The CARE 4 Tarrant program prioritizes applications from organizations delivering direct relief assistance in the following areas:

- Food and/or food distribution
- Utility assistance
- Caregiver Services
- Counseling, educational, or case management services
- Medical assistance
